A PERFECT RETREAT, REDEFINING TRANQUILITY

Located just 5 minutes from the Sagar Highway, Sai Brundavanam is a perfect blend of nature and modern living.

Designed as an ideal weekend getaway, Sai Brundavanam offers a safe and welcoming community. Encompassing 50+ acres of pollutionfree land, this farmland project has 906 wellsegregated plots. Each piece of land is spacious and well-planned. The project also features a range of amenities, including well-laid roads with fruit plants beside roads, a children's play area, vast open space, and much more. Along the roads, coconut and mahogany trees will be planted, and in the plots, sandalwood, mango, and Taiwan

guava saplings will be planted. The bonus feature is the 1-acre resort zone with ultra-modern amenities for you to relax and recharge with your family and friends.
